

# Paving the Path

## to Forever Homes

**Help make a lasting impression by being a part of HCHS's "Heart Walk."**

**T**he little shelter with the big heart has a new way you can help the animals while helping to make the shelter an even more beautiful haven than it already is.

Bluestone pavers in two sizes, 4" x 8" and 8" x 8", will form pathways all around the shelter grounds. You can have either size imprinted with a tribute in honor of someone special or in memory of a cherished pet or loved one. Or, you may wish to celebrate a special birthday, anniversary or other occasion with a commemorative paver. You could even promote your company by featuring its name and logo on a paver.

Can't seem to find the perfect gift for that person who has everything? Now you can purchase a paver that will last a lifetime and, at the same time, help our area's homeless animals and keep our shelter doors open.

Send in your order today and help us start creating a lasting legacy for people and pets close to your heart.
